Subject: Need to update CERCLIS entry for Pavillion GW

Hi Dianna,

I realized today when looking for the enforcement site contacts in CERCLIS that the ESI action needs to have an actual completion date of 8/31/2010 in it. I'm not able to update it in CERCLIS. DO you need me to fill out some paperwork for you to update that entry? We can't NFRAP it. It should have a further investigation needed decision to track it appropriately from that time.

Thanks,

Rob
